83 **Service Aspects of Industrial Products Lead to Future Product Purchase Intentions**
Telephone and delivery service satisfaction predict future industrial product purchase intentions
Kirk Smith

95 **Industrial Mail Surveys: A Methodological Update**
How to improve response rates to industrial mail surveys
David Jobber and Daragh O'Reilly

109 **Managing a Total Quality Orientation: Factors Affecting Customer Satisfaction**
The move along the road to total quality is a lot bumpier than it looks
Iris Mohr-Jackson

127 **Cost-Effectiveness of Follow-Up Strategies in Improving the Response Rate of Mail Surveys**
Which mail survey follow-up technique yields the best return for the dollar?
Christine M. Fox, K. Lynne Robinson, and Debra Boardley

135 **Exploring Departmental Level Interaction Patterns in Organizational Purchasing Decisions**
Looking at purchasing as intergroup behavior offers some surprises
Jerome M. Katrichis

147 **The Role of Bonus Pay in Salesforce Compensation Plans**
How firms use bonuses to achieve a variety of organizational goals
Kissan Joseph and Manohar U. Kalwani

161 **Exporting Problems of Industrial Manufacturers**
The relationship between export intensity and exporting problems experienced by small and medium sized industrial manufacturers
Robert E. Morgan and Constantine S. Katsikeas

177 **Miscomprehension Gap between CPAs and their Corporate Customers**
Marketing myopia in the daily life of CPAs
Jean-Charles Chebat, Martin Savard, and Pierre Filiatrault

187 **What is a Profitable Product?**
Is the product marginally or fully profitable, or both?
John B. South and John E. Oliver

197 **New Product Development From Past Research to Future Applications**
The development of new products is fundamental to organization survival and prosperity into the next century
Jenny Poolton and Ian Barclay

213 **Effective Organization and Management of Technology Assimilation: The Case of Taiwanese Information Technology Firms**
Organization and management of technology transfer from the recipient's perspective
Veronica Wong, Vivienne Shaw, and Peter J. H. Sher

229 **Managing Intraorganizational Diffusion of Technological Innovations**
How can a selling organization maintain loyalty from industrial buyers?
Namwoon Kim and Rajendra K. Srivastava

247 **Is Industrial Advertising Still Sexist: It's in the Eye of the Beholder**
Conventional wisdom has said that "sex sells." As more women enter the industrial ranks, does this conventional wisdom hold true?
Michael S. LaTour, Tony L. Henthorne, and Alvin J. Williams

257 **Unifying Marketing: The Synchronous Marketing Process**
An over-arching, unified, structured process model of marketing, designed to integrate with structured product development processes
Ralph P. Mroz

279 **Conflict between Engineers and Marketers: The Engineer's Perspective**
Marketing training and physical location influence the engineering/marketing interface
Vivienne Shaw and Christopher T. Shaw

293 **Diffusing Against Mature Technology: Issues and Strategy**
In technology diffusion, a technology's "novelty" may be as important as its performance
Joel A. Weiss and Bruce C. Dale

305 **Strategy-Based Segmentation of Industrial Markets**
Strategic orientation outperforms traditional segmentation criteria
Theo M. M. Verhallen, Ruud T. Frambach, and Jaideep Prabhu

315 **The Role of Marketing in the Company Turnaround Process**
Reduce business failures by implementing better understood turnaround strategies
Michael Harker

329 **Moneyless Business Exchange: Practitioners' Attitudes to Business-to-Business Barter in Australia**
Business-to-business barter is attracting increasing interest in Australia
Dawn Birch and Peter W. Liesch

341 **Logistics Performance Measurement and Customer Success**
Leading firms worldwide are improving measurement capabilities to develop world-class logistical performance
Stanley E. Fawcett and M. Bixby Cooper

359 **Relationship Marketing in Practice: Myths and Realities**
Industrial marketers strongly endorse relationship marketing, but are they really practicing it?
Michael H. Morris, Janinne Brunyee, and Michael Page

373 **Impact of Organizational and Contract Flexibility on Outsourcing Contracts**
Examining information system/technology outsourcing contracts
Audley Harris, Larry C. Giunipero, and G. Tomas M. Hult

385 **The Earnings Gap Between Male and Female Sales Managers**
Discrimination at the individual, firm, and industry-level variables explains the earnings gap
Bülent Mengüç

401 **Planning Market Share Growth in Mature Business Markets**
Path Marketing Analysis identifies key drivers of market share change and then uses this information to compare alternative opportunities for market share growth
John A. Weber and Utpal Dholakia

429 **Balancing Theory and Practice: A Reappraisal of Business-to-Business Segmentation**
Real-world segmentation in not about academic idealism
Vincent-Wayne Mitchell and Dominic F. Wilson

447 **Evaluating Strategic Investments: Complementing Discounted Cash Flow Analysis with Options Analysis**
Options analysis is a technique that helps managers uncover and value opportunities in a strategic investment program
Stanley F. Slater, Venkateshwar K. Reddy, and Thomas J. Zwirlein
